The English text of this circular shall prevail over the Chinese text for the purpose of interpretation.

By Order of the Board
O-Net Technologies (Group) Limited
Na Qinglin
Chairman and Chief Executive Officer

This appendix serves as an explanatory statement, as required by the Listing Rules, to provide the Shareholders with all the information reasonably necessary to enable them to make an informed decision on whether to vote for or against the ordinary resolution to approve the Repurchase Mandate.

1. LISTING RULES RELATING TO THE REPURCHASE OF SHARES

The Listing Rules permit companies whose primary listings are on the Stock Exchange to repurchase their shares on the Stock Exchange subject to certain restrictions.

2. SHARE CAPITAL

As at the Latest Practicable Date, the issued share capital of the Company comprised 834,028,240 Shares. Subject to the passing of the resolution for repurchase of Shares and on the basis of no further new Shares will be issued or repurchased up to the Annual General Meeting, the Company would be allowed under the Repurchase Mandate to repurchase a maximum of 83,402,824 Shares, representing 10% of the existing issued Shares as at the Latest Practicable Date.

3. REASONS FOR REPURCHASES OF SHARES

The Directors believe that the Repurchase Mandate is in the best interests of the Company and the Shareholders. Such repurchases may, depending on market conditions and funding arrangements at the time, lead to an enhancement of the net assets value per Share and/or the earnings per Share and will only be made when the Directors believe that such a repurchase will benefit the Company and the Shareholders.

4. FUNDING OF REPURCHASES OF SHARES

Any repurchase of securities of the Company would be funded entirely from the cash flow or working capital facilities available to the Company, and will, in any event be made out of funds legally available for the purpose in accordance with the Articles and the applicable laws of the Cayman Islands and the Listing Rules. Such funds include, but are not limited to, profits available for distribution. Repurchases by the Company may only be made out of the profits of the Company or out of the proceeds of a fresh issue of Shares made for the purpose, or, if so authorized by its Articles and subject to the provisions of the laws of the Cayman Islands, out of capital. Any premium payable on a repurchase over the par value of the Shares to be purchased must be provided for out of profits of the Company or out of the Company's share premium account, or, if so authorized by the Articles and subject to the provisions of the laws of Cayman Islands, out of capital.

5. GENERAL

There might be a material adverse impact on the working capital or gearing position of the Company as compared with the position disclosed in the audited financial statements of the Company for the year ended 31 December 2019 in the event that the Repurchase Mandate were to be carried out in full at any time during the period of the Repurchase Mandate.

However, the Directors do not propose to exercise the Repurchase Mandate to such extent as would, in the circumstances, have a material adverse effect on the working capital requirements of the Company or the gearing levels which in the opinion of the Directors are from time to time appropriate for the Company.

6. SHARE PRICES

The highest and lowest prices at which the Shares have traded on the Stock Exchange in each of the previous twelve months and up to the Latest Practicable Date were as follows:

9. TAKEOVERS CODE AND MINIMUM PUBLIC SHAREHOLDING

If on exercise of the powers of repurchase pursuant to the Repurchase Mandate, a Shareholder 's proportionate interest in the voting rights of the Company increases, such increase will be treated as an acquisition for the purposes of Rule 32 of the Takeovers Code. As a result, a Shareholder or group of Shareholders acting in concert, could obtain or consolidate control of the Company and become obliged to make a mandatory offer in accordance with Rule 26 of the Takeovers Code.

As at the Latest Practicable Date, according to the register kept by the Company pursuant to section 336 of the SFO and so far as is known to, or can be ascertained after reasonable enquiry by the Directors, (i) O-Net Holdings (BVI) Limited holds 228,373,383 Shares (representing approximately 27.38% of the total issued Shares); and (ii) Kaifa Technology (H.K.) Limited would be increased from 47.90% to approximately 53.22% of the issued share capital of the Company. As a result, O-Net Holdings (BVI) Limited, Kaifa Technology (H.K.) Limited and persons acting in concert with them are required to make a mandatory offer under Rule 26 of the Takeovers Code.
